Imagination Station is a non-profit 501(c)3, 100% volunteer based, parent/child interactive playgroup. Our “Play Dates” typically **are every other Monday throughout the school year**, starting the first Monday after Labor Day, **at “the gym”**. Stations are set-up throughout the gym to stimulate the imagination of children in every developmental stage. In addition to our bi-weekly Play Dates we have arranged a variety of **field trips on the alternating Mondays each month**.

**AND-Check our website for info & changes!*
 We are grateful to have the support and use of the Adventist School Gym for our “play dates” and the financial support of other agencies and businesses throughout Greeley, however; we are not affiliated with any political, religious, or ethnic group.
